

NOTICE OF PUBLIC MEETING
DEPARTMENT OF NATURAL RESOURCES AND ENVIRONMENT
AMENDMENT REQUEST TO EXTEND ELECTRIC POWER
Eagle Project Mining Permit MP 01 2007

The Department of Natural Resources and Environment (DNRE), Office of Geological Survey (OGS), will conduct a public meeting on a request for an amendment to extend electric power from County Road AAA to the power house located in the mining area of Kennecott Eagle Minerals Company Mining Permit MP 01 2007. Part 632, Nonferrous Metallic Mineral Mining, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended, Section 63207(6) requires a permittee to request an amendment for anticipated changes in the mining operation including, if applicable, amendments to the environmental impact assessment and to the mining, reclamation, and environmental protection plan.

The purpose of the meeting is to provide an opportunity for interested parties to obtain information and provide comments on the amendment request. The meeting will be held Tuesday, December 7, 2010, at the Westwood High School Auditorium, 300 Westwood Drive, Ishpeming, Michigan, from 7:00 p.m. to 9:00 p.m. The DNRE is required by law to make a determination on or before December 15, 2010, as to whether the amendment request constitutes a significant change from the conditions of the Mining Permit. Written and verbal comments may be submitted to the DNRE at the public meeting. Written comments may also be submitted by email by 5:00 p.m., December 8, 2010, or by mail postmarked not later than December 6, 2010, to the following address:
